

MFG Tray Co. - Nesting Containers

Can be used for bluing tanks and the treatment of metal parts that require long narrow containers.

The generous lip allows use as shallow drawer or insert pan

Get the one drawer for use in schools, laboratories, and hospitals which outlasts all others while keeping its good looks. There's a generous 1/2" of bearing space on each side to fit slide tracks on racks and cabinets.

Nesting Containers

900001

902008

903108 A handhole in each end would be required to easily lift the box making the part no. 903148

911001 without handhole. A handhole in each end would be required to easily lift the box making the part no. 911148

908208

903208

Model Number	Description	Top Outside Dimensions			Bottom Inside Dimensions		
		Length inches	Width inches	Height inches	Length inches	Width inches	Depth inches

919108	Nesting Box	20 1/2	17	10 3/8	17 1/4	14 3/4	10 3/8
919118	Lid for 919108 and 919208	20 1/2	17				
919208	Nesting Box	20 1/2	17	12	17 1/4	14 3/4	12

912148 The part no. reflects the handhole required for lifting the box. Without the handhole the part no becomes 912108

912208 Box & Lid A handhole in each end would be required to easily lift the box making the part no. 912248

919108

919118 Lid for 919108 & 919208

919248

The 919208 container modified to have heavy duty reinforced hand holes in the long sides, becomes 919248.

Nesting Containers

Lids for these small boxes can also be used as trays.

925108
A handhole in each end would be required to easily lift the box making the part no. 925148
