MFG TRAY

SECURE STORAGE BOXES
STACKED WITH SNAP-ON LID
18"L x 13"W x 3"H

MINI STORAGE BOXES WITH SNAP-ON LID

MFG Tray's candy stock boxes are the new industry standard in efficient handling and storage in candy operations worldwide. But not all facilities are created equal. Our new secure boxes are designed for product protection and cramped workspaces with unmatched strength and durability.

- Fiberglass strength and durability outlasts plastic
- Optimal product protection and safe storage
- Ideal for work-in-process applications
- Secure stacking on standard MFG 870 series boxes
- Won't bend, dent or sag
