MFG TRAY

NEW!

SECURE STORAGE BOXES
STACKED WITH SNAP-ON LID
18"L x 13"W x 3"H

MINI STORAGE BOXES WITH SNAP-ON LID

MFG Tray's process and inventory storage boxes are the new industry standard in efficient handling and storage in ESD applications worldwide. But not all facilities are created equal. Our new secure boxes are designed for product protection and cramped workspaces with unmatched strength and durability.

- Fiberglass strength and durability outlasts plastic
- Optimal product protection and safe storage
- Ideal solution for product inventorying
- Permanent ESD properties
- Ideal for high temp applications
