MINI DOUGH BOXES WITH SNAP-ON LID

MFG Tray's dough boxes are the industry standard in proofing and storage in pizza kitchens worldwide. But not all kitchens are created equal. Our new mini dough boxes are half the size–designed for smaller kitchens and cramped workspaces with unmatched strength and durability.

- Fiberglass strength and durability outlasts plastic
- Optimal dough protection and safe storage
- Ideal for storing, proofing, and cooling
- Secure stacking on standard MFG dough boxes
- Won't bend, dent or sag
